

Double glass sun shed

Can a sunroom system be built with double pane glass windows?

Both the Alpha Plus and OMEGA systems can be built with double pane glass windows. ONLY THE OMEGA sunroom system comes with the extra vinyl cladding on the extruded aluminum framing to provide that extra layer of thermal protection making it the ultimate in 4 season comfort.

What is inside a glass shed?

You'll always know what's inside the building because, well, it's partially made of glass. The shed is more than just its glass design, though. It has 10-by-10 feet of space, which is more than enough room to add shelving, a desk, mini fridge, seating, and more.
